Winemaking

Grapes carefully selected berry by berry from the oldest vines of the indigenous Mantonegro variety, a grape with remarkable aromatic potential that brings abundant fruit and warmth. The aim is to achieve concentration and varietal typicity without sacrificing freshness, which can only be attained through proper management of old vines.

Tasting note

Colour: Deep cherry-red with violet rim.

Nose: Powerful and complex, dominated by black fruit, carob and black liquorice, with spicy undertones of Mediterranean scrub and eucalyptus, alongside toffee notes. Palate: Fresh and flavourful, with silky tannins that make it very pleasant on the palate. Highly balsamic, rich in nuances that clearly reflect the Mallorcan terroir. An approachable wine with a long, expressive finish.
