

Sanclodio

D.O. Ribeiro

Grape Varieties

Treixadura, Godello, Loureira and Albariño.

Wine Type

Young white wine.

Analytical Parameters

Alcohol: 14.5% · Acidity: 5 g/l · Residual Sugar: 1.40 g/l

Winemaking

Location: Vineyards located in the Avia Valley, Gomariz, Municipality of Leiro (Ourense).

Description: Granite soils arranged in terraces.

Surface area: 9.6 hectares in total.

Vine age: Vineyards planted from 2002 onwards.

Climate: A convergence of Atlantic and Mediterranean climates.

Harvest: Hand-harvested in 18 kg boxes.

Vinification: Destemming, pneumatic pressing with low yields to enhance quality, settling at 15°C and traditional fermentation under controlled temperature at 16°C. Ageing: Ageing on the lees followed by maturation in stainless steel tanks with periodic stirring. Expected to evolve well in the medium term, refining its qualities in bottle.

Tasting Notes

Colour: Golden yellow with lemon highlights, medium intensity.

Nose: Complex, fruity and fresh, with medium aromatic intensity.

Palate: Fresh and flavoursome, broad nuances and a long finish. Good structure provided by treixadura (the main variety), with fruity, floral and complex notes on the palate that echo the nose.

Food Pairing

Pairs well with all kinds of fish and seafood, rice dishes, white meats and sushi.
