

## **Summertime by La Gordonne**

### **A.O.C. Côtes de Provence**

#### **Varieties**

Garnacha, Cinsault, Monastrell.

#### **Type of Wine**

Pale rosé wine.

#### **Analytical Parameters**

Alcohol: 12%

#### **Winemaking**

Summertime by La Gordonne is an organic wine cultivated according to European standards for this designation.

The vineyard is protected exclusively with sulfur (against powdery mildew) and copper (against downy mildew). The soil is maintained through plowing. Planted on mainly schist soils, the Grenache Noir, Cinsault, Rolle, and Mourvèdre grapes ripen in harmony under the Provençal sun in our terroir.

#### **Tasting Notes**

Colour: Pale pink with pearlescent highlights.

Nose: Intense and very pleasant, dominated by citrus and white flower notes.

Palate: Balanced with a slight citrus touch. The finish is extraordinarily long, highlighting the finesse and freshness of this organic wine.

#### **Food Pairing**

Summertime by La Gordonne Bio expresses all its aromas when paired with a saffron-infused prawn risotto.
