Winemaking

Nestled on the schist slopes of Provence, the vineyard parcels of the exceptional terroir of Château La Gordonne are meticulously selected for this Vérité du Terroir wine. Harvesting is carried out entirely at night to take advantage of cooler temperatures and enhance grape quality, with the grapes pressed directly after picking. At the press, only the first juices are selected, ensuring that only the finest musts are retained. Vinification follows the strict principles of organic viticulture.

Tasting Notes

Colour: Pale pink with pearlescent highlights.

Nose: Initially expressed through white flower notes, followed by aromas of yellow fruit.

Palate: Elegant, fresh and silky, with a very pleasant finish.

Food Pairing

Enjoy with Mediterranean cuisine, a bourride or a rock fish bouillabaisse, as well as with meats and cheeses. This rosé also pairs well with spices.
