Alcohol: 12%

#### Winemaking

Pink Flamingo Gris by Catalina Estrada is an ode to freshness and finesse. Crafted from Garnacha, Garnacha Gris and Cinsault, this bright wine combines notes of blackberry, grapefruit and a touch of ripe fruit, supported by a smooth and layered texture. Its elegance and freshness give it a distinctive character, making it an ideal match for delicate dishes.

For this special edition, Colombian illustrator Catalina Estrada, based in Barcelona, has designed a joyful label set in a vibrant universe of colours that captures the spirit of Latin American folklore, highlighting the optimism and true essence of our wine.

#### Tasting Notes

Colour: A beautiful extra-pale, almost white, crystalline hue.

Nose: Notes of lemon, freshness and citrus.

Palate: Fruity and fresh on the palate, thanks to Garnacha grapes from our estates, harvested at optimal ripeness. A pleasant initial minerality leads to a saline character expressed with great purity, clarity and structure.

#### Food Pairing

The harmony and delicacy of organic Pink Flamingo Gris 2024 make it perfect for festive tastings and equally enjoyable at the table, elegantly accompanying a wide range of dishes.
