100% Garnacha Gris.

Type of Wine

Organic pale rosé Gris de Gris.

Analytical Parameters

Alcohol: 12%

Winemaking

Gris de Gris Tête de Cuvée is crafted from the most exclusive selection of the estate's finest Garnacha Gris parcels. The grapes are gently and carefully harvested, then immediately cooled to preserve their aromatic integrity. They are subsequently softly pressed to capture only the first juice, the most delicate fraction. Vinified and clarified under temperature-controlled conditions, this cuvée expresses elegance and its distinctive terroir. Delicate notes of peach and acacia are complemented by a fresh finish with citrus and saline nuances, derived from the exceptional sandy terroir of the Camargue region.

Tasting Notes

Colour: A beautiful, very pale hue, bright and luminous, with subtle golden highlights.

Nose: Intense yet delicate aromas, full of finesse, with notes of almond blossom, white peach and acacia.

Palate: Broad and generous, with a very fresh nectarine-led entry. Long, expressive finish marked by pronounced salinity. Its finesse and freshness lend elegance and delicacy.

Food Pairing

Domaine Royal de Jarras Gris de Gris 2024 pairs beautifully with Mediterranean red mullet served alongside a warm medley of fresh vegetables.
