

## **Secret of Pink**

### **P.D.O. Sable de Camargue**

#### **Varieties**

100% Garnacha Gris.

#### **Type of Wine**

Organic pale rosé Gris de Gris.

#### **Analytical Parameters**

Alcohol: 12%

#### **Winemaking**

Harvesting takes place at night to achieve maximum aromatic expression from Garnacha, Cinsault and Muscat, with gentle pressing of the grapes to obtain the finest juice for vinification. Fermentation is carried out under temperature control and without the use of sulphites. This process brings out the full complexity of the sandy Sable de Camargue terroir. The result is a wine of exceptional purity, with delicate floral and strawberry notes. On the palate, this harmony continues with a very elegant mineral texture. A pure expression of the wine's origin.

#### **Tasting Notes**

Colour: Secret of Pink is a summer wine with a pale pink, onion-skin hue.

Nose: Floral notes (rose) with developing red fruit aromas.

Palate: Freshness is the defining feature on the palate.

#### **Food Pairing**

Perfect from aperitifs with Mediterranean tapas to after-dinner enjoyment, paired with grilled fish and confit vegetables.
