

Gorka Izagirre Ilun

D.O. Bizkaiko Txakolina

Varieties

100% Hondarrabi Beltza.

Type of Wine

Red wine.

Analytical Parameters

Alcohol: 13%, Acidity: 6.65 g/l, Residual sugar: 2.99 g/l

Winemaking

100% Hondarrabi Beltza. ILUN is the latest creation by Gorka Izagirre, a truly unique red wine. Made entirely from the indigenous Hondarrabi Beltza grape, until recently little known, it stands out for its freshness, singularity and pure Atlantic character. ILUN, meaning “dark” and “god of the night” in Basque, transports us to a lesser-known side of the txakoli world, a place once forgotten and now gradually reclaiming its identity.

Tasting Notes

Colour: Bright cherry-red with an elegant violet rim. High aromatic intensity from the outset, clearly expressing the character of the variety and its Atlantic origin.

Nose: Herbaceous in nature, layered with red fruit aromas such as redcurrant and raspberry, complemented by an elegant spicy note.

Palate: Light and very pleasant, with a smooth, velvety mouthfeel. Perfectly balanced, filled with red fruit and herbaceous flavours, finishing with a fresh, balsamic note.

Food Pairing

Thanks to its high acidity, it pairs beautifully with cured meats, poultry and fish. A wine that will also surprise when matched with spicy dishes.
