

## Emina Rosé

### D.O. Cigales

#### Varieties

Tempranillo, Cabernet Sauvignon, Merlot, Verdejo, Viura and Garnacha.

#### Type of Wine

Modern-style rosé wine.

#### Analytical Parameters

Alcohol: 13.5%, Acidity: 3.55 g/l, Residual sugar: 1.40 g/l

#### Winemaking

At Bodega Emina, we always focus on the potential and exclusivity of our vineyards. Emina Rosé is made from estate-grown grapes, preserving the vineyard's typicity and characteristics. The blend of red and white varieties from the D.O. Cigales vineyards creates an elegant and fresh rosé, with a symphony of delicate yet intense floral and fruity aromas.

This rosé combines tradition and modernity, featuring an attractive pale color, structure, and balance. It comes from the Terrón Blanco estate in Quintanilla de Trigueros. Early harvesting preserves freshness and enhances the characteristic pale pink color.

#### Tasting Notes

Colour: Pale strawberry pink with bluish reflections, clean and bright.

Nose: Stone fruit aromas such as peach, with hints of blackberry, mineral notes, and white flowers.

Palate: Stone fruit stands out, with a lively and elegant finish.

#### Food Pairing

Emina Rosé is a light rosé with medium-high acidity. Versatile for any occasion, it pairs especially well with pasta with fresh tomato sauce or pesto, seafood rice, vegetable pizza, and fresh or semi-cured cheeses.

## Awards

- Medalla de Plata Concurso Mundial de Bruselas
- Baco de Oro
